TOURNAMENT FORMATS

ABCD Opening Scramble: All players drive from the tee. Select the best shot. All players then play from the position of the selected ball by placing within one club length of that spot no closer to the hole. A ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Use this procedure until the ball is holed out. Two drives must be used per player. Each team will be given 2 feet of raffle tickets. The tickets can be used to move your ball the appropriate distance. When your ball is moved the distance of the tickets the tickets are ripped off and discarded (ex. If your team's ball is three inches from the hole you would rip off two tickets, throw the tickets out and count the previous putt as holed). Teams will be equal, therefore no net prizes.

Stableford (Gross and Net): Double Bogey or Worse = 0 Points, Bogey = 1 Point, Par = 2 Points, Birdie = 4 Points, Eagle = 8 Points, Double Eagle = 16 Points. Most points win.

Two Man Scramble (Gross and Net):

Both players hit from the tee. Select the best shot. Both players then play from the position of the selected ball by placing within one club length of that spot no closer to the hole. A ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Use this procedure until the ball is holed out. Each player must contribute six drives. (50% of the average handicap will be applied)

Individual (Gross and Net): 18 Holes - Stroke Play

Two Man Better Ball (Gross and Net): Both players play their own ball. At the end of the hole, the lowest gross and net scores are recorded as the team scores for that hole on the official scorecard. 90% handicaps

Match Play vs. Par (Gross and Net): Each player will play match play against par for each hole.

President's Cup: Individual elimination matches. There will be four points available in each match. One point will be awarded for the winner of holes 1-6 (stroke play with handicap). One point will be awarded for the winner of holes 7-12 (stroke play with handicap). One point will be awarded for the winner of holes 13-18 (stroke play with handicap). One point will be awarded for the winner of the overall 18 holes (stroke play with handicap). Stroke play rules will govern all play so matches can be played concurrently with most PMGA Sunday events. In the event of a tie, a sudden death match play playoff will commence immediately following play. Prizes will be paid to the top 8 players.

Two Man Shamble: The best drive of the group is selected. Both players then play from the position of the selected drive by placing within one club length of that spot no closer to the hole. The ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Each player then plays his own ball through the

hole. At the end of the hole, the lowest score is recorded as the team score for that hole on the official scorecard. Six drives per player must be used.

4 Man ABCD 1BB, 2BB, 3BB Tournament (Gross and Net):

Holes 1-6 will be 1 best ball of the foursome

Holes 7-12 will be 2 best balls of the foursome

Holes 13-18 will be 3 best balls of the foursome

Two Man Aggregate (A/B Random Partner) (Gross and Net): On each hole both players gross and net scores will be combined. 100% handicaps.

Parent/Child Scramble (Gross and Peoria Net): Both players hit from the tee. Select the best shot. Both players then play from the position of the selected ball by placing within one club length of that spot no closer to the hole. A ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Use this procedure until the ball is holed out. Each player must contribute two drives.

The team's handicap will be determined using the Peoria system. *This is not a PMGA event and is open to all. \$10 per team will be collected for prizes. 9 hole tee times will begin at 3:00 PM.*

Two Man Six Hole Event (Blue, White, Red)(Gross and Net):

Holes 1-6: Two Man Scramble (50% of the average handicap divided by three)

Holes 7-12: Better Ball (individual handicap divided by three)

Holes 13-18: Alternate Shot (100% of the average handicap divided by three)

Two Man Better Ball (A/B Random Partner) (Gross and Net): Each player will be drawn a better ball partner. Both players play their own ball. At the end of the hole, the lowest gross and net scores are recorded as the team scores for that hole on the official scorecard. 90% handicaps

Beat the Pro: 18 Holes Stroke Play. Players will be allowed 80% of their handicap. Players will be allowed to wager \$5 to \$50. If the player ties or loses to the Pro, he will receive Pro Shop credit in the amount of his wager. If he beats the Pro, he will receive double his wager in Pro Shop credit.

Club Championship: 54 holes - Stroke Play. There will be 3 flights divided by handicap. The Championship and A flights will play at Gross only. The B flight will play at Net. (played at 100% of handicap)

Flight breakdowns are as follows:

*A Flight 10 – 15 HDCP.

*B Flight 16 + HDCP.

Prizes will be paid out based on the number of players in each flight. Players must either be 2017 Members of Pequot Golf Club and PMGA Members or be Public PMGA Members that have played in at least 5 events prior to the Club Championship to be eligible to compete.

Both players then play from the position of the selected ball by placing within one club length of that spot no closer to the hole. A ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Use this procedure until the ball is holed out. Before the round, each team designates which player will tee off on the power ball holes on each side (e.g., Player A tees off on hole 3, Player B on hole 7). The same procedure is used for the backside. In addition, four other drives must be used per player. (50% of the average handicap will be applied).

Throw Out (Worst Hole Front/Back) (Gross and Net): 18 Holes - Stroke Play. Each player's worst gross score in relation to par on a front nine hole is discarded and will not count.
