TOURNAMENT FORMATS

ABCD Opening Scramble: All players drive from the tee. Select the best shot. All players then play from the position of the selected ball by placing within one club length of that spot no closer to the hole. A ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Use this procedure until the ball is holed out. Two drives must be used per player. Teams will be equal, therefore no net prizes.

Modified Stableford: Double Bogey or Worse = 0 Points, Bogey = 1 Point, Par = 2 Points, Birdie = 4 Points, Eagle = 8 Points, Double Eagle = 16 Points. Most points win.

Two Man Scramble:

Both players hit from the tee. Select the best shot. Both players then play from the position of the selected ball by placing within one club length of that spot no closer to the hole. A ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Use this procedure until the ball is holed out. Each player must contribute six drives. (35% of A player + 15% of B player will be team handicap)

Individual Net: 18 Holes - Stroke Play

Two Man Better Ball: Both players play their own ball. At the end of the hole, the lowest net score is recorded as the team score for that hole on the official scorecard.

President's Cup: Individual elimination matches. 100% Handicap. Stroke play rules will govern all play so matches can be played concurrently with most PMGA Sunday events. In the event of a tie, a sudden death match play playoff will commence immediately following play. Prizes will be paid to the top 8 players.

Two Man Shamble: The best drive of the group is selected. Both players then play from the position of the selected drive by placing within one club length of that spot no closer to the hole. The ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Each player then plays his own ball through the hole. At the end of the hole, the lowest score is recorded as the team score for that hole on the official scorecard. Six drives per player must be used (70% Handicaps).

Individual Net Blue/White/Red : 18 Holes - Stroke Play

Blue Tees Holes 1,4,7,10,13,16; White Tees Holes 2,5,8,11,14,17; Red Tees Holes 3,6,9,12,15,18

Two Man Aggregate (A/B Random Partner): On each hole both players net scores will be combined.

Parent/Child Scramble (Gross and Peoria Net): Both players hit from the tee. Select the best shot. Both players then play from the position of the selected ball by placing within one club length of that spot no closer to the hole. A ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Use this procedure until the ball is holed out. Each player must contribute two drives.

The team's handicap will be determined using the Peoria system. *This is not a PMGA event and is open to all. \$10 per team will be collected for prizes. 9 hole tee times will begin at 3:00 PM.*

Two Man Six Hole Event (Blue, White, Red):

Holes 1-6: Two Man Scramble (50% of the average handicap divided by three)

Holes 7-12: Better Ball (80% of each individuals handicap divided by three)

Holes 13-18: Alternate Shot (80% of the average handicap divided by three)

Modified Pinehurst:

Both players drive from the tee. Player A then finds player B's ball and plays it and player B finds player A's ball and plays it. The best of the 2 second shots is then selected and strict alternate shot is played until the ball is holed out. (60% Handicaps).

Beat the Pro: 18 Holes Stroke Play. Players will be allowed 80% of their handicap. Players will be allowed to wager \$5 to \$30. If the player ties or loses to the Pro, he will receive Pro Shop credit in the amount of his wager. If he beats the Pro, he will receive double his wager in Pro Shop credit.

Club Championship: 54 holes - Stroke Play. There will be 3 flights divided by handicap. The Championship and A flights will play at Gross only. The B flight will play at Net. (played at 80% of handicap)

Flight breakdowns are as follows:

*Championship Flight 0 – 9 HDCP.

*A Flight 10 – 15 HDCP.

*B Flight 16 + HDCP.

* Players may move down to a lower flight if they choose to

Prizes will be paid out based on the number of players in each flight. Players must either be 2021 Members of Pequot Golf Club and PMGA Members or be Public PMGA Members that have played in at least 5 events prior to the Club Championship to be eligible to compete.

Two Man Scramble (Power Ball Holes 3, 7, 11, 16): Both players drive from the tee. Select the best shot. Both players then play from the position of the selected ball by placing within one club length of that spot no closer to the hole. A ball must be kept in the same condition (i.e. If a ball is in the rough, it must be placed in the rough). Use this procedure until the ball is holed out. Before the round, each team designates which player will tee off on the power ball holes on each side (e.g., Player A tees off on hole 3, Player B on hole 7). The same procedure is used for the backside. In addition, four other drives must be used per player. (50% of the average handicap will be applied).

Throw Out (Worst Hole Front/Back): 18 Holes - Stroke Play. Each player's worst net score in relation to par on a front nine hole is discarded and will not count. Each player's worst net score in relation to par on a back nine hole is discarded and will not count.

PMGA Member-Member: Each 2 man team will be flighted according to their combined handicap index. Each team will play a nine hole better ball match (match play) against each of the other 3 teams in their respective flight. At the end of the 3rd match each team will be ranked from 1st to 4th in their flight. 1st place will play 4th place and 2nd place will play 3rd place. At the end of the 4th match, the team in each flight with the most points will win their flight. Each flight winner will be awarded prizes and will be entered into an alternate shot shootout to determine the overall champion.

**Handicaps will be applied at 80%.*

**Points will be awarded in each match as follows:*

**The team that wins the match will earn 2 points.*

**The team that loses the match will earn 0 points.*

**If the teams tie the match then each team will earn 1 point.*

**The number of holes up at the end of the match will give the winning team bonus decimal points. (Ex. if your team is 3 up at the end of the match then your team will win 2.3 points).*

**If a team no shows, their opponents will play a match against PAR.*

All flight winners will compete in a shootout to determine the overall PMGA Team Champion. The winners of the shootout will receive \$75 per player. The other three teams in the flight of the Overall winner will receive \$25 per player.

Pequot Cup (Gross and Net): 36 holes – stableford stroke play: Double Bogey or Worse = 0 Points, Bogey = 1 Point, Par = 2 Points, Birdie = 4 Points, Eagle = 8 Points, Double Eagle = 16 Points. If you have at least 30 participation points on the PMGA points list you will also be eligible to play)

Top 10 Shootout (Net): The top 10 players on the PMGA points list will qualify for the Shootout. The player with the highest net score will be eliminated on each hole played. In the event of a tie for worst on a hole, the tied players will participate in a blind chip off to determine who is eliminated. The top 4 players will be awarded prizes.
