

The Shootout was a good day. With Steve Sipos gone and Tony Davison who was not able to play and cancelled. Tom Bell and Hamish McArthur took their places. Without Tony there Chris Triscuzzi had to give a lot of shots throughout the round. He played a solid round.

The first one out to cash was Tom Bell \$20, Jonathan Wright \$30. So that left Kevin Turley and Chris on #9. Kevin getting a stroke ended up surviving the hole and winning. Kevin \$80, Chris \$40.
