HANDICAP ADJUSTMENT RULE

All players handicaps will be based upon their USGA handicap index. The Handicap Committee may adjust players handicaps who have played actively during the Connecticut off season November 15, 2024-March 31, 2025 and whose Handicap index has increased significantly. The Handicap Committee will inform the player and the Pro shop of any changes to Handicaps.

The CSGA has been in contact with us over this decision. In Summary, they suggest since the players who have been playing all of the off season should be able to transition back to their ending HDCP Index last November, the Committee should adjust them accordingly. These off season players have not stopped playing and have a significant advantage over those who do not play in the off season.

LOCAL RULES

All play is governed by the USGA Rules of Golf and its decisions except where modified by the following local rules:

- OB defined by white stakes.
- OB also defined by stone walls on holes: 2, 3, 4, 5, 6, 9, 10, 11, 12, 13, 14, and 15.
- All other stone walls are to be played as immovable obstructions.
- All paved, gravel, and wood chip cart paths are to be played as immovable obstructions.
- A player may lift, clean, and place his ball within one club length no nearer to the hole in his own fairway before the green.
- ***On the fringe of a green a player may lift, clean, and replace his ball within a putter head length no closer to the hole***
- ***Seniors age 80+ can play from the red tees if they choose to.***
- **Interior walls are considered immovable obstructions.** Take relief one club length at the nearest point no closer to the hole.
- **Ground under repair:** Areas marked off with white paint, *Trees that are wired/staked*

Local Rule E-5

“When a player’s ball has not been found or is *known or virtually certain* to be *out of bounds*, the player may proceed as follows rather than proceeding under *stroke and distance*.

For **two penalty strokes**, the player may take relief by *dropping* the original ball or another ball in this *relief area* (see Rule 14.3):

Two Estimated Reference Points:

a. Ball Reference Point: The point where the original ball is estimated to have:

- Come to rest on the *course*, or
- Last crossed the edge of the *course* boundary to go *out of bounds*.

b. Fairway Reference Point: The point of fairway of the *hole* being played that is nearest to the ball reference point, **but** is not nearer the *hole* than the ball reference point.

For purposes of this Local Rule, “fairway” means any area of grass in the *general area* that is cut to fairway height or less.

If a ball is estimated to be lost on the course or last crossed the edge of the course boundary short of the fairway, the fairway reference point may be a grass path or a teeing ground for the hole being played cut to fairway height or less.

Size of Relief Area Based on Reference Points: Anywhere between:

- A line from the *hole* through the ball reference point (and within two *club-lengths* to the outside of that line), and
- A line from the *hole* through the fairway reference point (and within two *club-lengths* to the fairway side of that line).

But with these limits: Limits on Location of Relief Area:

- Must be in the *general area*, and
- Must not be nearer the *hole* than the ball reference point.

Once the player puts a ball *in play* under this Local Rule:

- The original ball that was *lost* or *out of bounds* is no longer *in play* and must not be played.
- This is true even if the ball is found on the *course* before the end of the three-minute search time (see Rule 6.3b).

But, the player may not use this option to take relief for the original ball when:

- That ball is *known or virtually certain* to have come to rest in a *penalty area*, or
- The player has played another ball provisionally under penalty of *stroke and distance* (see Rule 18.3).

A player may use this option to take relief for a provisional ball that has not been found or is known or virtually certain to be out of bounds.

When the ball is lost and went even to or over the green, player may take a 2 stroke penalty and drop 2 club lengths no closer to the hole from where it passed the boundary line or edge of the woods. You can and should play a provisional to save time when you think your ball has gone over the green, out of bounds or in woods, weeds.

Local Rule:

If your ball goes in the water on #10 or in the weeds in front of #13. Drop your ball 2 club lengths towards the hole on the other side, from the edge of the hazard on the left side. 1 shot penalty

Penalty for Playing Ball from a *Wrong Place* in Breach of Rule 14.7a: *General Penalty*

Rule 14.7a

Place from Where Ball Must Be Played

After starting a hole:

- A player must make each *stroke* from where their ball comes to rest, **except** when the Rules require or allow the player to play a ball from another place (see [Rule 9.1](#)).
- A player must not play their ball *in play* from a *wrong place*.

Rock, Root, and Stump Rule: If a player's ball comes to rest near or on a root or (large or embedded) stone to which it affects stance or swing you may exercise relief to nearest point, no closer to hole. Stones/Rocks that are apart from stone walls will be considered immovable obstructions. If the stone/rock is EASILY movable, it is to be treated as a movable obstruction. The determination of the group/opponent majority will be final.

[Rule 8.1a/7 – Player May Probe Near Ball to Determine if Tree Roots, Rocks or Obstructions Are Below Surface of Ground, but Only if This Does Not Improve Conditions] Bunkers Included

**In order to keep the pace of play acceptable,
ready golf is encouraged.
Target time is 4:20 hours or less for a round of golf.
If you fall more than a hole behind.
Your group may be put on the clock and subject to penalty**
